As you look at our newly installed plaques around the outer concourse of the Civic Center, you will be struck by the great individuals and teams honored by this organization over the past three decades. Indeed, our collection of plaques is, in itself, an area history of sports.

To continue our success, we rely on individuals like you. Your continued input is essential. You can nominate a sports team or an outstanding athlete by writing a brief account of accomplishments and mailing it to any of the two dozen persons on our Board of Directors.

Keep a few things in mind. No individual has ever been inducted into this Hall simply on the basis of a great high school career. Your nominee should have gone on to an impressive college or professional career. Please give this some thought. Have we missed an individual or a team? If so, please bring our oversight to our attention.
Fr. Jim Clement

The Reverend James Clement is Assistant to the Rector in Peoria’s St. Paul’s Episcopal Church now of the Diocese of Chicago. A native of coastal South Carolina, Fr. Clement received an undergraduate degree from the College of Charleston, in addition to completing coursework at its graduate school in conjunction with The Citadel. His first two of three years of seminary were in England, completing studies at the College of the Resurrection and the University of Leeds, West Yorkshire. He concluded seminary at Nashotah House, Wisconsin.

Fr. Clement has served the people of the Episcopal Church in Illinois since 2007 and has been involved in various aspects of providing pastoral care, including Stephen Ministry, Seafarer’s Ministry – Port of Charleston, hospital chaplaincy, and a summer placement with a parish in South London. At St. Paul’s Fr. Clement provides leadership in the areas of youth and family ministry and the incorporation of newcomers into the church family. His general duties include preaching, teaching, liturgical leadership, and pastoral care.

KURT PEGLER
Master of Ceremonies

Through the years, Kurt's covered the Major League Baseball postseason, the NCAA Final Four, PGA and LPGA Tour events, NFL, NBA and NHL games along with NASCAR races. But he still contends his favorite assignments involve reporting stories about the local prep, college and professional athletes in central Illinois. He's been a finalist for the best downstate sportscast award presented by the Illinois Broadcasters Association every year since 1993, winning the honor in 1994, 2003 and 2004. He has also done play-by-play work for local broadcasts of Missouri Valley Conference men's and women's basketball games since 1993. Kurt has called the state tournament boys and girls basketball finals, volleyball and baseball for the Illinois High School Association TV network.
Best Wishes to all the 2013 Inductees & Tri-County Award Winners

About the Neve Harms Award...

The Greater Peoria Sports Hall of Fame Neve Harms Award, formerly the Peoria Advertising and Selling Club’s Annual Meritorious Service to Sports Award, was named the Neve Harms Award in 1966 and for a very good reason.

As Director of Proctor Recreation Center, Harms observed the need for all youths to experience participation in sports activities, and not just the few who excelled. He, therefore, adopted a firm policy which assured that all youths would have an opportunity to play in games of the various sports controlled by Proctor Center. This plan met with much success and certainly with acceptance by parents whose children became more interested in sport activities at Proctor and consequently made good use of their free time.

Neve carried through this policy when he was appointed Superintendent of the Peoria City Recreation Department which later became part of the Peoria Park District. In addition, he also developed a system of recognition for all youths so that each young person could feel good about his or her efforts.

This kind of interest in all youths regardless of ability came from a most competitive and outstanding athlete. Neve was a four-sport player at Manual High School and a three-sport letter winner at Bradley University. He was a member of the 1929 Manual High School State Championship Basketball team.
Larry Leitner was among the state’s elite officials for more than 40 years, officiating high school, college and professional sporting events from 1960 through 2003 and he remains involved in sports by serving on the board of directors for the Pekin Insurance Holiday Tournament, as well as evaluating current officials and moderating IHSA rules clinics.

Among his officiating highlights, Leitner worked more IHSA basketball and football tournament games than any official in the state’s history, earning 27 consecutive boys basketball regional assignments. He also worked the IHSA boys basketball state finals in 1973, 1974 and 1976, including the 1976 championship game, and three IHSA football finals, including the first-ever 2A state championship game in 1974. A charter member of the Gateway Conference officiating crew in 1988, Leitner was part of the crew that officiated the 1990 and 1993 NCAA Division I-AA quarterfinals and he served as an associate official for the Big Ten Conference from 1984-88.

Leitner also was called upon to officiate two IESA state championship games, the 1990 National Catholic Basketball finals, three Shriner All-Star football games and the 1980 IBCA All-Star Classic, while also working for two seasons in the Midwest Professional Football League.

Leitner is a member of the Illinois Basketball Coaches Association, Peoria Officials and Bloomington/Normal Officials Halls of Fame.

Guyton made the All-Big Ten Team his sophomore year and the Playboy pre-season All-American Team his last two seasons. In 2000, he was named Big Ten Player of the Year and was a consensus All-American.

When he left A.J. was Indiana’s all-time leader in three-point baskets (283) and fourth in all-time scoring (2100). He also ranked eighth in all-time Indiana assists (403) and tenth in steals (128). A.J. is a member of the IU All-Century Team.

1982 Illinois Central College Men's Basketball Team on induction into the Greater Peoria Sports Hall of Fame
This group of young men compiled a 25-12 record and won the last single-division Illinois Junior College state tournament. In 1982 the ICC Cougars, coached by Carroll Herman, with no scholarships and all local players clawed their way to the Elite 8. The team was led by Randy Holzhauer, Randy Bushman, Mark Cook, Jeff Nannen and Gus Mason. ICC beat Wabash, Elgin Community College, and their arch rivals — Lincoln. The Cougars had qualified for the National Tournament but a new rule forced a play-off game with Vincennes University, the Cinderella Cougar’s lost the game. Coach Carroll said, “They were a very special group of talented and dedicated young men that achieved excellence on and off the floor. They set the standard for future ICC teams and did so without athletic scholarships. Every one of these young men will have a special place in my heart forever.”

The girls volleyball head coach at Fieldcrest High School, Sanders led the Knights to their first-ever state finals appearance, finishing the year with a 33-4-1 record and fourth-place finish in the IHSA 1A state tournament.

DARREL CROUCH
2013 Tri-County Male Coach of the Year
The football head coach at Washington Community High School, Crouch led the Panthers to a final 12-1 record. The Panthers earned an undefeated, Mid-Illini Conference championship and won 12 consecutive games to start a season for the first time in program history. Following the devastating tornadoes Nov. 17, Washington’s run ended in the IHSA 5A state semifinals.
McClintock capped her all-star prep career by averaging 29.5 points per game on the basketball court last winter, helping Illini Bluffs High School to 29 wins and an appearance in the IHSA 1A Girls Basketball state finals. The three-time Peoria Journal Star Small School Girls Basketball Player of the Year and first-team IBCA All-State selection ended her career last winter with 3,073 points. She is currently a freshman for the Mercer University women’s basketball team in the NCAA Division I Atlantic Sun Conference.

With three individual state championships to his credit, Henderson’s 31 points at the 2013 IHSA 3A Boys Track and Field Championship gave Pekin Community High School a third-place team finish. Henderson won state titles in the long jump, 100 meters and 200 meters. An all-conference wide receiver on the grid iron, Henderson returned from a hip injury to help the Dragons football team win its final three regular-season games to earn a playoff berth.
